

The background of the top section is a dark maroon color with a subtle, intricate pattern of fine, overlapping lines that create a sense of movement and depth, resembling the feathers of a phoenix. The word "PHOENIX" is written in a large, white, serif font with a classic, slightly ornate style. The letter 'P' is particularly large and features a decorative flourish at its top left. The rest of the letters are in a similar style but smaller in scale.

# PHOENIX
